Funding Requests

Spirit Goods Baskets

We receive requests from many schools and fund raisers for spirit goods baskets. From here on out, Kim Pigg will forward information on who received one, what is in each basket and the cost so it can be expensed as a donation.

Incidental

These are requests like funding the hospitality room for a tournament. Susie wants to make sure coaches ask her for donations first so the club is not nickled and dimmed to death. All requests of this sort will be sent to Susie first. No incidental requests of any amount.

All Other Requests

All requests for any kind of help will go through Susie first. The purpose of this is to give her a chance to see if she has money for it. The club will get a list of those she doesn't fund so we can make the decision on our own.

Spirit Week

2/5-2/8 against Corvallis. A special meal will be on the menu. Glenda will get the information to Susie so it can be placed on the rosters for that night.

Basketball

Coach Zimmerman is looking for help from the club. He's going to hold a steak night dinner in the cafeteria. He would like help from the club as to setup. We wondered if this should be boys' and girls' basketball together? The team will serve.

Raffle

The Booster club cannot hold a raffle for 12 months. We aren't sure if that's from the date of our application or from determination. Bill or Shelly will look into this.

Senior Picnic

We need to contact Eric Ihde to let him know we need a 3 week lead to get our volunteers in line for this.

Academic Awards

We'll present a check at that gathering.

New Fundraiser

Points for kids. Sponsors would pay .50 per pt. We could use the Touch Down meter under the stadium for football. We'll have to try to not cross over into other fundraising activities and sponsors.

EScrip

Glenda gave us information on a new easy way to raise money. If members give us their Safeway card #, name, phone # and email, we can register that with Safeway. Every time the card is swiped or phone number entered, the boosters will receive a percentage of the purchase. They will send email, but members can opt-out.

We need an info sheet to give to members. We should post info on the website. Make sign ups available at Basketball, Wrestling and registration.

Good of Order

We decided there's no problem with individuals taking their own garments to Design and Stitch for embroidering of bulldog logos. We don't own the bulldog.

Little League will use the stadium for their signups Don Lien will be there to over see it.

Next meeting January 21st and February 18th.
